

## About order

Everything in God's creation has its meaning, its purpose and its time.

*"Everything has its time, and everything under the sky has its hour." (Preacher 3.1)*

This applies to our lives as well. We are all members of a body.

In the smallest Atom or in the huge universe, the divine order is established everywhere.

It is part of the divine essence, part of the material as well as the spiritual world. God's omnipotence and greatness are reflected in this order.

God has revealed the spiritual order of life by the Ten Commandments given to Moses on Mount Sinai so that man may find unity in God's heart.

Jesus taught us the meaning of the commandments as well:

The Bible says:

*"On one occasion an expert in the law stood up to test Jesus. "Teacher," he asked, "what must I do to inherit eternal life?" What is written in the Law?" he replied. "How do you read it?" He answered, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind; and, 'Love your neighbor as yourself.'" "You have answered correctly," Jesus replied. "Do this and you will live." (Lk. 10,27)*

Pure love is God's nature.

If I will stick to this love, I'll be in line with God's order.

Then, I will lead a life in harmony and unison, then I will be one with the love of God.

Being self-centered, however, is not according to God's order, but is seeking advantage in self-interest. This behavior separates from God and God's creation.

As I am willing to acknowledge God's commandments and laws and to live by them, I will then experience inner peace and joy.

God's love will help us to walk the way of imitation of Christ, in order to recognize the true order in us and to learn to live by it.

Willibald
